**DEMONSTRATE AGAINST Constant & Co on Monday December 13<sup>th</sup>, Noon, Bedford Station.**

Bailiff firm Constant & Co have long been the company that executes the most vicious evictions of Gypsy and Traveller sites. In recent history their work has included hurting a young boys leg, and the "mysterious" burning of two caravans they had impounded. Using hired muscle Constant and Co make their money by towing families off their own land using force. Their website states:

*"Constant & Company are regularly employed to recover possession of land and buildings from unwanted occupants.*

*Proceedings can be brought in the High Court, County Court or Magistrates Court, but they involve delay which can be extremely expensive in terms of loss of business, the cost of proceedings and the cost of clearing up following a prolonged occupation - **not many people will go to a supermarket if they have to park near a group of traveler's caravans!***

*Where speed is necessary to prevent great loss of trade our extremely experienced bailiffs in a well-established drill can lawfully clear a site with the absolute minimum of delay - usually within 24 to 48 hours, and usually with local police support.*

*After your initial telephone call, apart from keeping you advised of progress, Constant & Co **will organise a speedy eviction from beginning to end.***

**Constant and Co do work in a number of other fields then bullying Travellers... LETS "PERSUADE" THEM TO LEAVE THE TRAVELLER COMMUNITY ALONE!**

**Trains from London run several times an hour on the Thameslink**

**Line (Kings Cross Thameslink, London Bridge, Kentish Town and lots of stations in South London...)**

**ALSO PLANNING MEETING FOR CAMPAIGN AGAINST CONSTANT'S RACIST EVICTIONS AND OTHER FORMS OF TRAVELLER SOLIDARITY:**

**11<sup>TH</sup> DECEMBER 7PM @ LONDON ACTION RESOURCE CENTRE, 62 FIELDGATE ST, WHITECHAPEL, LONDON...**
